This is Rutgers
The State University of New Jersey

- Educating students in northern, central, and southern New Jersey
- Internationally recognized comprehensive public research university
- Renowned faculty and award-winning students
- Contributing to our communities through academics, research, and collaboration
Rutgers’ Mission

Rutgers’ threefold mission focuses on

- Providing for the educational needs of New Jersey through our undergraduate, graduate, and continuing education programs
- Conducting cutting-edge research that contributes to the health, environmental, social, and cultural well-being of the State, nation, and world, as well as strengthening the economy and supporting businesses and industries
- Performing public service in response to the needs of the people of the State and their local, county, and State governments
Our Focus

- Improving the lives of the people of New Jersey, the nation, and the world
- Preparing students for leadership and success
- Applying knowledge and discoveries to address real-world needs

- Providing education, research, and patient care
- Benefiting the state and local communities by advancing common purposes

Clinical Care
Rutgers Health

Revised July 2020
Our Strategy

- Enhance the academic profile of the student body and improve retention, graduation rates, and placement in careers and graduate school
- Strengthen key large disciplines while sustaining excellence in the humanities and core sciences
- Recruit and retain the best faculty and create a culture that rewards great research and teaching
- Improve the student experience by increasing educational opportunities, addressing social needs, and encouraging students’ academic growth and engagement
- Provide best-practice academic and administrative systems
Education

- Teaching over 71,000 students from across New Jersey, the United States, and the world
- 29 schools and colleges
- 150+ undergraduate majors and 400+ graduate programs
- 6,900+ continuing education programs
- 25,000+ classes taught annually
- Ages 4 to 100+ taking courses as lifelong learners
- 18,000+ degrees granted to Rutgers students each year
Innovation

- Research with impact on people and communities around the world
- New Jersey’s most extensive and diversified network of research laboratories
- $737 million in R&D expenditures in FY 2018
- $610.9 million in sponsored programs and research grants in FY 2018
- 170+ global patents issued in FY 2018
- Annual research and development expenditures exceed those of all other New Jersey colleges and universities combined
Community

- Collaborating with our host communities
- Outreach in all 21 New Jersey counties
- Working to sustain New Jersey Meadowlands, Pinelands, Highlands, Jersey Shore
- Contributing 1.5 million pounds of food to address hunger
- Crisis hotlines: caregivers, K–12 school employees, mothers, poison control, police officers, suicide prevention, veterans
- Innovative partnerships with K–12 districts and county colleges statewide
COVID-19 Response

- First FDA-approved rapid “point of care” diagnostic test
- First FDA-approved saliva test, including at-home version
- First FDA-approved NJ clinical trial to treat patients with survivor plasma
- Nation’s largest study of health care/other workers exposed to virus
Health Care

- Rutgers Health, New Jersey’s premier academic health care provider organization
- 2.1 million annual patient visits
- Thousands of health care providers
- 470 ongoing clinical trials
- Comprehensive health care including medical, dental, nursing, and behavioral health patient services

- Rutgers Cancer Institute of New Jersey: the state’s only National Cancer Institute-designated Comprehensive Cancer Center
- In partnership with RWJBarnabas Health, New Jersey’s largest academic health system
- World-class research that transforms patient care
Diversity

- Rutgers strives to create an environment of inclusiveness in which everyone, regardless of culture, race, and socioeconomic background, can exchange ideas freely and safely.
- BestColleges/Campus Pride: Rutgers named to 25 Best Colleges for LGBTQ Students.
- *Military Times*: Rutgers ranked #13 in nation, 4-year institutions, Best for Vets.

---

President Barack Obama, Commencement Address, May 2016, calls the Rutgers community “... what might just be America's most diverse student body.”
Best for Vets

- Rutgers ranks 13th in the nation, Military Times Best for Vets
- Rutgers University–New Brunswick ranks 14th in the nation, College Factual Best Colleges for Veterans
- Rutgers University–Camden named a Purple Heart University for its veterans services—the first New Jersey university to earn the distinction
- Rutgers offers more than 100 continuing education programs that are approved and eligible for veteran funding
Over 250 Years

- Eighth-oldest institution of higher learning in the United States
- Founded in 1766 as Queen's College as a private all-male college; would later become Rutgers College, and now Rutgers University–New Brunswick
- Rutgers University–New Brunswick became New Jersey's land-grant institution in 1864
- Legislation in 1945 and 1956 designated Rutgers as The State University of New Jersey
- University of Newark (now Rutgers University–Newark) joined Rutgers in 1946
- College of South Jersey (now Rutgers University–Camden) joined Rutgers in 1950, which gave Rutgers a statewide presence
- Rutgers Biomedical and Health Sciences established in 2013 with the integration of most units of the former University of Medicine and Dentistry of New Jersey
Our Roots
New Brunswick

- Flagship of the university, Queen’s College, founded in 1766 and renamed Rutgers College in 1825
- Named New Jersey’s land-grant institution in 1864, resulting in Cook College, today’s School of Environmental and Biological Sciences
- New Jersey College for Women (now Douglass Residential College) opens in 1918
- Rutgers designated as The State University of New Jersey in 1945
- Graduate School–New Brunswick opens in 1952 (now School of Graduate Studies)
- The experimental Livingston College founded in 1969
- Rutgers College goes coed in 1972
- Joins Association of American Universities, the leading 65 research universities in North America, in 1989
- Joins the Big Ten in 2014
Our Roots

Rutgers Biomedical and Health Sciences

- Established in 2013 with the integration into Rutgers of most units of the former University of Medicine and Dentistry of New Jersey
- Expands Rutgers’ mission to combine research innovation with academic patient care
- Rutgers Health, established in 2016, brings together comprehensive patient care: medical, dental, nursing, and behavioral health services
- RWJBarnabas Health and Rutgers have launched a public-private partnership to jointly operate a world-class academic health system, the largest in the state
Our Roots
Newark

- Rutgers University–Newark is a diverse, urban, research university, where opportunity meets excellence—an anchor institution in New Jersey’s largest city
- New Jersey Law School opens in 1908
- University College opens in Newark in 1934
- Dana College, New Jersey Law School, and Seth Boyden School of Business merge to create University of Newark in 1936
- The University of Newark joins Rutgers in 1946 (now Rutgers University–Newark)
- Transformation inspired by takeover of Conklin Hall by Black Organization of Students in 1969
- Graduate School–Newark founded in 1975
- Rutgers Law School reunites the law schools in Newark and Camden in 2015
Rutgers University–Camden, a leading urban public research university emphasizing civic engagement, is a key institution for southern New Jersey and the Delaware Valley

- South Jersey Law School founded in 1926; College of South Jersey opens in 1927
- College of South Jersey and South Jersey Law School join Rutgers in 1950 (now Rutgers University–Camden)
- School of Business–Camden started in 1988
- School of Nursing–Camden started in 2011
Our Students

71,000+ students from 50 states and 130 countries

81% are New Jersey residents

Students come from every New Jersey county

34% of first-year students are first-generation undergrads
Our Faculty

- Rutgers employs more than 8,700 full- and part-time faculty
- Recipients of honors, awards, grants, and fellowships such as the Nobel Prize, Pulitzer Prize, MacArthur "Genius" Grants, and Guggenheim and Sloan Fellowships
- 40 members of the National Academies of Sciences, Engineering, and Medicine
- 110 American Association for the Advancement of Science fellows
- More than 25,000 undergraduate and graduate classes are taught at Rutgers in a single year
Our Staff

- The university employs thousands of full- and part-time staff
- Support the university’s academic, research, community engagement, and student life programs
- 1,200-plus Information Technology staff handle 2.3 quadrillion bytes of monthly internet traffic, 116,000 daily device count on RUWireless, 2.1 million hours logged yearly on computer lab computers
- Rutgers University Police Department is one of only 17 law enforcement agencies in the state to be accredited by Commission on Accreditation for Law Enforcement Agencies
Our Alumni

- More than 530,000 living alumni
- More than half reside in New Jersey
- 106 chartered alumni organizations across North America
- Work in virtually every field, from the public sector to Fortune 500 companies
- Have earned prominent recognition such as the Nobel Prize, National Medal of Technology and Innovation, Pulitzer Prize, and Emmy Award
Our Difference

- Focused on real-world applications of academics and research
- Encourage diversity of thought and approach
- An exceptional educational value
- Partnering with communities, businesses, and industry to enhance academic experiences
Leadership
